Re: 2020 International College Training in Asia

Dear Brothers:

With a burden for the Lord to gain today's Ezras, priestly teachers, the churches in the Philippines will be hosting the 6th International College Training in Asia (ICTA). The training will be held from Tuesday, July 21<sup>st</sup> to Friday, the 24<sup>th</sup>, followed by blending trips from Saturday, the 25<sup>th</sup> to Monday, the 27<sup>th</sup> of July, 2020. The training will be held at the FTT-Malabon Training Center at *47 Sisa St., Acacia, Malabon City, Metro Manila, Philippines.*

We look to the Lord that through the ICTA, the college students in the Lord's recovery from different countries in Asia would rise up to pursue the Lord in the present truth, practice the corporate God-men living in the training to have a proper spiritual habit in the church life, and participate in the Lord's move all over the world as the one new man to bring the Lord back. We pray that the young people's vision of carrying out God's economy may become clearer, and their experiences of the riches of Christ be richer, for the building up of the Body of Christ. To facilitate the learning of language for the furtherance of the fellowship and coordination of the one new man, this training will be conducted in English. In the release of the word for this training, co-workers from the United States will coordinate with brothers in Asia and serve in a blended way. It is our earnest desire that this generation will be produced as today's Ezras, knowing God's heart's desire, and be constituted with God for His corporate testimony to bring in the kingdom of God.
